

THE BIG TO DO

# 3 small gallery shows to see in the Berkshires during June

By Jennifer Huberdeau, The Berkshire Eagle Jun 8, 2023

Sometimes, the best place to view contemporary art isn't in a major museum.

Small private galleries have the ability to offer up new works by contemporary artists, big and small, well-known and unknown. Here in the Berkshires, we have a vast variety of galleries offering up artists working in a multitude of mediums. Offered here is a just a sampling of shows being offered by small art galleries in June.
