tracy rocca

Oh my. Ethereal paintings that bring a quiet, hushed exhale to the room. This is the work of Albuquerque, NM based painter [Tracy Rocca](#). I had to show those studio shots so that you could understand the scale of these beauties. How does she create these light filled landscapes... I dunno! Do you want to find out? Me too. Here is a lovely video of Tracy talking about her process, and working her dreamy magic:

Yep. Jealous! Love her studio space, her dreamy paintings, her whole aesthetic. The in the studio video give such a nice glance into her practice and philosophy. Great post Danielle.

Lindy T /// 07.09.2016 /// 6:41am

Very inspiring. I'm trying to simplify!
